

DANYAL CHATHA

WEB DEVELOPER

647-616-7939 | TORONTO, ON | DANYALCHATHA2@GMAIL.COM | DANYALCHATHAPORTFOLIO.COM/

Objective

A dedicated web developer that is seeking to design and develop engaging, user-friendly websites that drive engagement for clients and companies alike.

Skills & abilities

Proficient in a range of programming languages, with experience in developing and maintaining responsive, user-friendly, and visually appealing websites using modern web development frameworks and tools.

Experience

VOSYN

Front-end Developer | September 2024 - Present

- Develop and maintain responsive, user-friendly, and visually appealing websites using React.
- Collaborate with UI/UX designers to complete a responsive and sleek design.
- Ensured code review to check if co-workers' codes were practical.
- Participate in daily Scrum meetings to collaborate with cross-functional teams, discuss progress, and ensure project alignment.

NOW FOR WELLNESS

Marketing Assistant/Social Media Assistant | Jan 2022 – May 2022

- Help create an infographic design to post on social media
- Find the company's target market and consumers

Education

HUMBER COLLEGE

Toronto, ON | Business – Marketing | 2019 - 2022
